

## February Newsletter

### ***National Tooth Fairy Day***

February 28th marks the annual National Tooth Fairy Day! It is a day of awareness to keep encouraging our children to develop good dental hygiene. This day is designed to pay homage to the generous Tooth Fairy that is known to leave treats or coins underneath our pillows.

After all those treats on Valentine's Day, make sure your kids teeth are clean and healthy!

### ***Love Month***

There are many people looking for more information on LGBT foster care & adoption, and that is why we celebrated this #lovemonth.

Child Link is providing information and creating awareness of gay adoptions. Follow us on Facebook, Twitter and Instagram for all of the latest updates and information!

### ***Spring Break is Coming!***

Do your kids get a week off school for spring break? Are you staying in Chicago? Don't worry! There is plenty to do with your family during the break. [Click here](#) to see what Chicago has to offer over the break. It might even be better than being on a beach!
