

AUGUST NEWSLETTER

Child Link is starting off the new month fresh! While there is a lot going on, we are ready and excited to see what this month will bring.

Upcoming Events

SCHOOL DRIVE 2016

The purpose of our School Supply Drive is to make sure that the children and youth of Child Link are ready with the supplies they need to start school come September. The items donated will be given to our Foster Parents to provide the children with the supplies. To sponsor a school supply drive or place a school supply collection box in your office, call 312-375-4735.

FOSTER PARENT PICNIC

On August 27, Child Link will host a picnic for the Foster Parents to come and pick up school supplies and backpacks that the children and youth will need for this upcoming school year. Also at the picnic, there will be other items provided that our Foster Parents are able to pick up. These items include clothes, shoes, books, toys, cribs, etc. The foster parents can take what they need in order to provide for the children of Child Link.

Women's Initiative Luncheon

Our 11th Annual Women's Initiative Luncheon was a success! We were excited to acknowledge Dr. Kameron Matthews and Rhea Begeman for their dedication to helping others and commitment to education. It was also great to hear Dr. Sandy talk about her experiences and how she got to where she is today. Overall, we were grateful to meet new people as well as see those who have continued to support Child Link over the years. Thank you to all that came, it was a great luncheon for an even better cause!
