Thank you Child Link Volunteers

Our Back to School Drive is in the books! We celebrated the new school year with games, food, and of course new school supplies. Thanks to all of our donors, we provided our children and youth with new backpacks, pens and pencils, notebooks, coloring supplies and lots more! Thanks to the Child Link staff that put together this event to ensure the children are ready to begin this new school year! Good luck this school year!

Child Link is grateful for the support given by the companies and people that have participated in this years Back to School Drive. Because of them, the children and youth of Child Link are excited and ready for the school year. Thanks to all that participated and continue to support Child Link!
